**FOR IMMEDIATE RELEASE**

**Benchmark Alumnus Makes Dean's List at CSULA**

Redlands, CA (August 8, 2008) - Benchmark Young Adult School proudly announces that 2007 Benchmark Young Adult School graduate, Alumnus Philip Furnari, has been nominated for the Dean's List at California State University, LA, College of Natural and Social Sciences, because of his outstanding academic achievement. Phil and the other recipients were honored recently in a ceremony on campus.

Phil states, "This would have never been possible without Benchmark's guidance, patience and understanding. Thank you for everything you taught me while I was living in there."

Benchmark is a residential co-educational emotional growth school dedicated to assisting troubled teens and young adults who are between 18-28 years of age as they transform their negative behaviors and emerge into adulthood with a new reality of healthy and productive living.
